RE: Final finding of no significant impact determination for the City of Horseshoe Bend  
Drinking Water Improvement Project (DWG 90-2008-5)

Dear Mayor Hanson:

A draft finding of no significant impact (FONSI) was issued by the Idaho Department of Environmental Quality (DEQ) on August 20, 2014 for the City of Horseshoe Bend drinking water improvement project based on a careful review of the environmental information document prepared by Civil Dynamics.

The draft FONSI was published on August 27, 2014 in the *Idaho World*, newspaper of record for the City of Horseshoe Bend. No comments were received during the 30-day public comment period following publication. Therefore, the record of decision for the City of Horseshoe Bend drinking water improvement project, a FONSI, is final.

This completes the environmental review of this project. Contact Gary Carroll at the DEQ Boise Regional Office, (208) 373-0117, if you have questions regarding the project. For questions regarding the environmental review contact Ester Ceja at (208) 373-0585 or via e-mail at [Ester.Ceja@deq.idaho.gov](mailto:Ester.Ceja@deq.idaho.gov).

Sincerely,

A handwritten signature in black ink that reads "Barry N. Burnell".
