31 covery act, and the implementing state statutes, federal regulations
32 and state rules, unless the record is a trade secret.

33 (2) For purposes of this section, a record, or a portion of the record,
34 is a "trade secret" if the information contained in the record is a trade se-
35 cret within the meaning of the Idaho trade secrets act, sections 48-801, et
36 seq., Idaho Code, including commercial or financial information which, if
37 disclosed, could cause substantial competitive harm to the person from whom
38 the record was obtained.

39 (3) Any record, or portion of a record, provided to or obtained by the
40 department of environmental quality and identified by the person providing
41 the record as a trade secret shall not be disclosed to the public and shall be
42 kept confidential according to the procedures established in this section.

1 (4) Nothing in this section shall be construed as limiting the disclo-
2 sure of a trade secret by the department of environmental quality:

3 (a) To any officer, employee, or authorized representative of the state
4 or the United States, under a continuing claim of confidentiality, as
5 necessary to carry out the provisions of state or federal law, or when
6 relevant to any proceeding thereunder;

7 (b) As determined necessary by the director of the department of en-

12 Idaho Code, under a continuing claim of confidentiality and subsection
13 (1) of this section; or

15 (5) It shall be the responsibility of any person providing a record to
16 the department of environmental quality to give notice of the existence of a
17 trade secret on each page or other portion of information at the time of sub-
18 mittal, and such person shall have the burden of demonstrating that the in-
19 formation is a trade secret.

20 (6) Notwithstanding the time frames set forth in section 74-103(1),
21 Idaho Code, when a request is made to the department of environmental quality
22 pursuant to the provisions of this chapter for the disclosure of information
23 for which a trade secret claim has been made, and the information has not
24 been demonstrated to be a trade secret to the satisfaction of the director
25 of the department of environmental quality, within three (3) working days of
26 receipt of the request for the disclosure of the information, the department
27 of environmental quality shall provide a written request for substantiation
28 to the person making the confidentiality claim. A response shall be submit-
29 ted to the department of environmental quality by the person claiming the
30 trade secret protection within ten (10) working days after receipt of the
31 request for substantiation, or the information subject to the claim shall be
32 disclosed without further notice. Upon receipt of a timely response to the
33 request for substantiation, the director of the department of environmental
34 quality shall determine whether the information is a trade secret subject to
35 protection.

36 (a) If it is determined that the information, or any portion of the
37 information, is a trade secret, within three (3) working days after re-
38 ceipt of the response, the director of the department of environmental
39 quality shall notify the person requesting the information that the
40 request is denied pursuant to subsections 74-103(3) and (4) of section
41 74-103, Idaho Code.

42 (b) If it is determined that the information, or any portion of the
43 information, is not a trade secret and is, therefore, subject to dis-
44 closure, within three (3) working days after receipt of the response,
45 the director of the department of environmental quality shall inform
46 the person making the confidentiality claim of the determination. The
47 decision shall be a final agency action directly appealable, de novo, to
48 the district court of the county where the records or some part thereof
49 are located. An appeal contesting the decision of the director of the
50 department of environmental quality to release information claimed to

1 be a trade secret shall be filed within ten (10) working days from the
2 date of receipt of the written notice of decision. The information
3 claimed to be a trade secret shall not be disclosed until the period
4 for appeal has expired with no appeal being taken, or a court order has
5 been issued finding that the information is not a trade secret and all
6 appeals of that order have been exhausted.

7 (7) In any appeal taken pursuant to this section, the court may award
8 reasonable costs and attorney's fees to the prevailing party if it finds the
9 claim of confidentiality or the decision of the director of the department of
10 environmental quality to provide records was frivolously pursued.

11 (8) The department of environmental quality shall adopt rules which in-
12 clude:

13 (a) Appropriate measures to safeguard and protect against improper
14 disclosure of trade secrets, including procedures to train all employ-

17 (9) As it relates to the department of environmental quality, or to
18 agents, contractors, or other representatives of the department, the immu-

20 of a trade secret is made consistent with this section.
