RE: Environmental Determination for the City of Dietrich Drinking Water Improvements
(DWG 108-2011-2)

Dear Mayor Heiken:

A draft Finding of No Significant Impact (FONSI) was issued by the Department of Environmental Quality (DEQ) on March 5, 2012 for the City of Dietrich Drinking Water Improvements based on a careful review of the Environmental Information Document prepared by Keller Associates.

The draft FONSI was published on March 5, 2012 in the *Times-News*, newspaper of record for the City of Dietrich. No comments were received during the thirty (30) day public comment period following publication. Therefore, the record of decision for the City of Dietrich Water System Improvements project, a FONSI, is final.

This completes the environmental review of this project. Please contact Brian Reed at the DEQ Twin Falls Regional Office, (208) 736-4529 or Brian.Reed@deq.idaho.gov, if you have questions regarding the project.

Sincerely,

A handwritten signature in cursive script that reads "Barry N. Burnell".
